Report:

Dr. Saha the concerned professional and expert in language study and communication skills, has been delivered a wonderful lecture on the different types of the language system in India and in the adjoined neighbourhoods. Dr. Saha, deliberately speaks about the components of the communicative skills such as, verbal communication, non-verbal communication, written communication, visual communications etc. Also, she highlighted about the importance of the communicative skills to build up the relation in personal and professional sphere. The session commenced by highlighting the critical role of the communication skills in developing of personality of an individuals. The students were suggested both the personal and professional skills which they might applied as their preferences.

Number of Students Participated: 142
